❖ Objective:

To enhance my Professional skills, capabilities and Knowledge in an Organization which recognizes the value of hard work and trusts me with responsibilities and challenges. I am seeking a full-time position in any sector related to my qualification where I can lend my knowledge of market analytics to help your organization improve profitability.

❖ Work Experience:

➤ Junior Graphics Designer:

March 2019 - April 2020

Shah Sher Ali Company Limited – Dhaka, Bangladesh

As long as I have worked in that Organization, I have worked honestly.

- Understand project requirements and concepts.
- Use various techniques to create drafts, models and prototypes
- Produce final design solutions (like logos, banners, interfaces)
- Pitch creative ideas
- Collaborate with team members to launch projects
- Take on special design tasks (e.g. color correction)
- Use feedback from other designers to improve

➤ Field Office Supervisor:

May 2017 - Dec 2018

Shah Sher Ali Company Limited – Dhaka, Bangladesh

Work was to communicate field level client and promoted companies product like bike, cycle, vehicles related product and part that were available in that company. I served a short term in that position. My duty was like

- Met operational standards by contributing construction information to strategic plans and reviews.
- Implemented production, productivity, quality, and customer-service standards, resolving problems, identifying construction management system improvements.
- Met construction budget by monitoring project expenditures, identifying variances.
- Implemented corrective actions, provided non-project annual operating and capital budget information.
- Accomplished the construction project results by defining project purpose and scope, calculated resources required.

➤ Office Assistant:

Jan 2016 - March 2017

Shah Sher Ali Company Limited:– Dhaka, Bangladesh

- Clean, stock and supply designated facility areas (dusting, sweeping, vacuuming, mopping, cleaning ceiling vents, restroom cleaning etc).
- Perform and document routine inspection and maintenance activities.
- Carry out heavy cleansing tasks and special projects.
- Notify management of occurring deficiencies or needs for repairs.
- Make adjustments and minor repairs.
- Carefully hand wash, rinse and sanitize delicate china and stemware for fine dining restaurant.
- Thoroughly scrape food debris from utensils and cooking equipment.
- Inspect all dishware after cleaning process and rewash items, if necessary.
